Who are the members?

Just ordinary men and women from 18+ drawn from the local community who represent many professions and occupations to reflect the community we live in.

What do Club members do?

The Rotary Club has five main "avenues of service":

Membership Services
International
Community Service
Youth Service
Rotary Foundation

Members are involved in various projects in these areas, but it is under Community Service and International that most of the charitable activity takes place.

Is membership expensive?

Members come from all walks of life with various means. To join will cost an annual subscription of £95 currently. A drink in the bar is optional at our meetings!

Do I have to wear collar & tie?

Our ethos and dress code is very relaxed so you wear what you are comfortable in.....

What happens at meetings ?

We meet every Thursday in the bar at the **Wynnstay Hotel, Church Street, Oswestry.**

Members that want to eat meet at 7.00 to order and eat at 7.30pm. Others meet in the bar and then we join up at 8.00pm.

The meeting usually lasts for about 2 hours, occasionally we have a speaker on a topic of business, charitable or social interest.

The 3rd Thursday meeting in the month is always a "business meeting" to discuss club business followed by fellowship when we can enjoy more relaxed conversation at the table after the optional sit down meal.

Meetings are cheerful occasions that provide the chance to exchange thoughts and ideas, have a good chat and get to know fellow members.

What is the time commitment?

We recognise that, in the real world, people have many demands on their time with work and family life.

Members attend as many meetings as they wish and when they are able. We are pleased to see you when ever you can get along to see us.

You can of course attend any club meeting in the world and you will get the same warm welcome.
